

Independent Auditor's Report

To the Members of Kotak Mahindra Bank Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

1. We have audited the accompanying consolidated financial statements of Kotak Mahindra Bank Limited ('the Bank' or 'the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group') and its associates, which comprise the Consolidated Balance Sheet as at 31 March 2020, the Consolidated Profit and Loss Account, and the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information, of subsidiaries and associates, the aforesaid consolidated financial statements give the information required by the Banking Regulation Act, 1949 as well as Companies Act, 2013 ('Act') and circulars and guidelines issued by the Reserve Bank of India in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Accounting Standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014 (as amended), of the consolidated state of affairs of the Group and its associates as at 31 March 2020, and their consolidated profit, and their consolidated cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and its associates, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph 18 of the Other Matters section below, is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

4. We draw attention to Note Schedule 17 Note 2(A), Schedule 17 Note 2(H)(v) and Schedule 17 Note 7 of the accompanying consolidated financial statements which describes the uncertainties due to the outbreak of novel coronavirus (COVID-19). In view of these uncertainties, the impact on the consolidated financial statement is significantly dependent on future developments.

Our opinion is not modified in respect of this matter.

Key Audit Matters

5. Key audit matters are those matters that, in our professional judgment and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information, subsidiaries and associates, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

6. We have determined the matters described below to be the key audit matters to be communicated in our report.

Identification and provisioning of non-performing assets ('NPAs') including implementation of COVID-19 RBI Regulatory Package in relation to the Bank

As at 31 March 2020, the Bank reported total advances (net of provisions) of ₹ 219,748.19 Crores, gross NPAs of ₹ 5,026.89 Crores, and provision for non-performing assets of ₹ 3,469.00 Crores. The provision coverage ratio as at 31 March 2020 is 76.30%. (Refer Schedule 17 Note 2(H) for the accounting policy and Schedule 9 and Schedule 17 Note 7).

Key audit matter	How our audit addressed the key audit matter
<p>The Reserve Bank of India's ("RBI") guidelines on Income Recognition and Asset Classification ("IRAC norms") prescribe the prudential norms for identification and classification of NPAs and the minimum provision required for such assets. The Bank is also required to apply its judgement to determine the identification and provision required against NPAs by applying quantitative as well as qualitative factors.</p> <p>The risk of identification of NPAs is affected by factors like stress and liquidity concerns in certain sectors.</p> <p>The provisioning for identified NPAs is estimated based on ageing and classification of NPAs, recovery estimates, value of security and other qualitative factors and is subject to the minimum provisioning norms specified by RBI.</p> <p>Due to the ongoing pandemic, during our audit we have also identified implementation of the "COVID-19 Regulatory Package-Asset Classification and Provisioning" ('Regulatory Package') issued by the RBI on 17 April 2020 as a matter of significance in measurement of provision for advances. Since the Bank is permitted to grant a moratorium of three months to borrowers from payment of installments and interest falling due from 1 March 2020 to 31 May 2020, as per RBI's announcement on 27 March 2020 separate asset classification and provisioning norms have been also prescribed by the RBI in the Regulatory package for such borrowers availing the moratorium benefit.</p> <p>Since the identification of NPAs and provisioning for such advances requires considerable level of estimation and given its significance to the overall audit including possible observations by RBI which could result in disclosures in the financial statements and regulatory changes due to COVID-19 we have identified this as a key audit matter.</p>	<p>Our audit procedures included but were not limited to the following:</p> <ul style="list-style-type: none"> • Understood the process and controls and tested the design and operating effectiveness of key controls, including IT based controls, focusing on the following: <ul style="list-style-type: none"> - Approval of new lending facilities against the Bank's credit policies and the performance of annual loan assessments. - Controls over the monitoring of credit quality which amongst other things included, the monitoring of overdue reports, drawing power limit, pending security creation - Identification and classification of NPAs in line with RBI IRAC norms and certain qualitative aspects; and - Assessment of adequacy of NPA provisions. • To test the identification of loans with default events and other qualitative factors, selected a sample of performing loans and independently assessed as to whether there was a need to classify such loans as NPAs. • Verified the accounts classified by the Bank as Special Mention Accounts ("SMA") in RBI's Central Repository of Information on Large Credits ('CRILC') and performed discussion with the management • Held discussion with the management of the Bank on sectors wherein there has been stress and the steps taken by the Bank to mitigate such sectorial risks • With respect to provisions recognised towards NPAs, on sample basis, we reperformed the provision calculations taking into consideration the value of security, where applicable, RBI IRAC norms and NPA policy of the Bank, and compared our outcome to that prepared by the management and challenged various assumptions and judgements which were used by the management. • Obtained an understanding of implementation of the Regulatory Package and with respect to borrowers to whom a moratorium was granted, on a sample basis, we tested that such moratorium was granted in accordance with the board approved policy. We re-performed the calculations for the additional general provisions made in accordance with the "Regulatory Package".

Key audit matter	How our audit addressed the key audit matter
	<ul style="list-style-type: none"> We read the RBI Annual Financial Inspection report for the financial year ended 31 March 2019 and other communication with regulators. We assessed the appropriateness and adequacy of disclosures against the relevant accounting standards and RBI requirements relating to NPAs including the additional disclosures required to be made in accordance with the Regulatory Package.

Information Technology ("IT") Systems and controls impacting financial reporting in relation to the Bank

Key audit matter	How our audit addressed the key audit matter

IT application controls. <p>Due to the pervasive nature, complexity and importance of the impact of the IT systems and related control environment on the Bank's financial reporting process, we have identified testing of such IT systems and related control environment as a key audit matter for the current year audit.</p>	<p>In assessing the integrity of the IT systems, we involved our IT experts to obtain an understanding of the IT infrastructure and IT systems relevant to the Bank's financial reporting process for evaluation and testing of relevant IT general controls and IT application controls.</p> <p>Access rights were tested over applications, operating systems, networks, and databases, which are relied upon for financial reporting. We also assessed the operating effectiveness of controls over granting, removal and periodical review of access rights. We further tested segregation of duties, including preventive controls to ensure that access to change applications, the operating system or databases in the production environment were granted only to authorized personnel.</p> <p>We have also evaluated changes in IT process (including usage of technology) for access to IT assets and infrastructure in work from home scenario due to COVID-19 pandemic.</p> <p>Other areas that were assessed under the IT control environment, included password policies, security configurations, business continuity, and controls around change management.</p> <p>We also evaluated the design and tested the operating effectiveness of key automated controls within various business processes. This included testing the integrity of system interfaces, the completeness and accuracy of data feeds, system reconciliation controls and automated calculations.</p> <p>Where deficiencies were identified, we tested compensating controls or performed alternate procedures.</p>

11. In preparing the consolidated financial statements, the respective Board of Directors of the subsidiaries included in the Group and of its associates are responsible for assessing the ability of the Group and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
12. Those respective Board of Directors are also responsible for overseeing the financial reporting process of the subsidiaries included in the Group and of its associates.

Auditor's Responsibilities for the Audit of the Financial Statements

13. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
14. As part of an audit in accordance with Standards on Auditing specified under section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group and its associates (covered under the Act) have adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial statements / financial information of the entities within the Group, and its associates, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial statement of such entities included in the consolidated financial statements, of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
15. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 16. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 17. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure I to the Independent Auditor's Report of even date to the members of Kotak Mahindra Bank Limited on the consolidated financial statements for the year ended 31 March 2020

Independent Auditor's Report on the Internal Financial Controls under Clause (a) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the consolidated financial statements of Kotak Mahindra Bank Limited ('the Bank' or 'the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), and its associates as at and for the year ended 31 March 2020, we have audited the internal financial controls over financial reporting ('IFCoFR') of the Holding Company, its subsidiary companies and its associate companies, which are companies covered under the Act, as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The respective Board of Directors of the Holding Company, its subsidiary companies and its associate companies, which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls

3. Our responsibility is to express an opinion on the IFCoFR of the Holding Company, its subsidiary companies and its associate companies, as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR includes obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the IFCoFR of the Holding Company, its subsidiary companies and its associate companies as aforesaid.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that the IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion and based on the consideration of the reporting by the other auditors of the subsidiary companies and associate companies, the Holding Company, its subsidiary companies and its associate companies, which are companies covered under the Act, have in all material respects, adequate internal financial controls over financial reporting and such controls were operating effectively

as at 31 March 2020, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

COVID - 19

The novel coronavirus (COVID-19) pandemic continues to spread rapidly across the globe including India. On 11th March, 2020, the COVID-19 outbreak was declared a global pandemic by the World Health Organization. COVID-19 has taken its toll on not just human life, but business and financial markets too, the extent of which is currently unascertainable. Various governments, civil society and many organisations, including the Bank, have introduced a variety of measures to contain the spread of the virus to protect lives and livelihood. On 24th March, 2020, the Indian government announced a strict 21-day lockdown which was further extended by 19 days and again by 14 days across the country to contain the spread of virus. There is a high level of uncertainty about the duration of the lockdown and the time required for life and business to get normal. The extent to which COVID-19 pandemic will impact the Group's operations and financial results is dependent on the future developments, which are highly uncertain, including among many the other things, any new information concerning the severity of the pandemic and any action to contain its spread or mitigate its impact whether government mandated or elected by the Group.

B. USE OF ESTIMATES

The preparation of financial statements requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) as at the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Any revision in the accounting estimates is recognised prospectively in the current and future periods.

The Schemes provide for grant of options to employees of the Group to acquire the equity shares of the Bank that vest in cliff vesting or in a graded manner and that are to be exercised within a specified period.

In accordance with the Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 and the Guidance Note on "Accounting for Employee Share-based payments" issued by The Institute of Chartered Accountants of India, the cost of equity-settled transactions is measured using the intrinsic value method. The intrinsic value being the excess, if any, of the fair market price of the share under ESOSs over the exercise price of the option is recognised as deferred employee compensation with a credit to Employee's Stock Option (Grant) Outstanding account. The deferred employee compensation cost is amortised on a straight-line basis over the vesting period of the option. The cumulative expense recognised for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the number of equity instruments that are outstanding.

The options that do not vest because of failure to satisfy vesting condition are reversed by a credit to employee compensation expense in "Payment to and provision for employee", equal to the amortised portion of the cost of lapsed option and credit to deferred employee compensation equal to the unamortised portion. In respect of the options which expire unexercised the balance standing to the credit of Employee's Stock Option (Grant) Outstanding account is transferred to General Reserve. The fair market price is the latest available closing price, preceding the date of grant of the option, on the stock exchange on which the shares of the Bank are listed.

Where the terms of an equity-settled award are modified, the minimum expense recognised in 'Payments to and provision for employees' is the expense as if the terms had not been modified. An additional expense is recognised for any modification which increases the total intrinsic value of the share-based payment arrangement, or is otherwise beneficial to the employee as measured at the date of modification.

Cash-settled:

The cost of cash-settled transactions, stock appreciation rights (SARs) is measured initially using intrinsic value method at the grant date taking into account the terms and conditions upon which the instruments were granted. This intrinsic value is amortised on a straight-line basis over the vesting period with a recognition of corresponding liability. This liability is remeasured at each Balance Sheet date up to and including the vesting date with changes in intrinsic value recognised in the Profit and Loss Account in 'Payments to and provision for employees'.

The SARs that do not vest because of failure to satisfy vesting conditions are reversed by a credit to employee compensation expense, equal to the amortised cost in respect of the lapsed portion.

Fair value of Employee stock options

The fair value of the equity-settled and cash-settled options is estimated on the date of grant using Black-Scholes options pricing model taking into account the terms and conditions upon which the options were granted. The fair value of the cash-settled options is remeasured at each Balance Sheet date. The following table lists the inputs to the model used for equity-settled and cash-settled options:

Year ended 31 st March,	2020		2019	
	Equity-settled	Cash-settled	Equity-settled	Cash-settled

Historical Volatility	21.10%-31.00%	26.44%-113.47%	18.68%-32.95%	19.74%-28.06%
Life of the options granted (Vesting and exercise period)

Risk-free interest rate	5.63%-7.03%	4.16%-5.59%	6.97%-7.99%	6.17%-6.84%
Expected dividend rate	0.05%-0.06%	0.06%	0.06%	0.05%

The expected volatility was determined based on historical volatility data and the Bank expects the volatility of its share price may not differ from historical volatility. The measure of volatility used in the Black-Scholes options pricing model is the annualised standard deviation of the continuously compounded rates of return on the stock over a period of time. For calculating volatility, the daily volatility of the stock prices on the National Stock Exchange, over a period prior to the date of grant, corresponding with the expected life of the options has been considered.

Effect of the employee share-based payment plans on the Profit and Loss Account and on the financial position:

	(₹ in crore)	
Year ended 31 st March,	2020	2019
Total Employee compensation cost pertaining to share-based payment plans	119.12	143.54
Compensation cost pertaining to equity-settled employee share-based payment plan included above	2.77	1.80

Closing balance of liability for cash-settled options	123.55	145.50
Expense arising from increase in intrinsic value of liability for cash stock appreciation plan	91.03	109.70

Had the Group recorded the compensation cost computed on the basis of fair valuation method instead of intrinsic value method, employee compensation cost would have been higher by ₹ 112.20 crore (Previous year ₹ 100.17 crore) and the profit after tax would have been lower by ₹ 85.35 crore (Previous year ₹ 67.74 crore). Consequently the basic and diluted EPS would have been ₹ 44.28 (Previous year ₹ 37.26) and ₹ 44.24 (Previous year ₹ 37.21) respectively.
